Nakshatra is the term for lunar mansion in Hindu astrology. A nakshatra is one of 27 (sometimes also 28) sectors along the ecliptic. Each nakshatra is further subdivided into quarters (or padas). These play a role in popular Hindu astrology, where each pada is associated with a syllable, conventionally chosen as the first syllable of the given name of a child born when the moon was in the corresponding pada.

|| Life Predictions ||

Character

You are an energetic person, never satisfied unless you are up and doing. You are strong in mind and strong in body and full of enthusiasm for the work in hand. You have unlimited courage, and all these qualities combined tend to make your life varied. You are not going to stay at one thing just because you have set out in that direction. You will change your job, your friends, your hobbies or anything whatsoever provided you think the change is for better. Unfortunately for you, you will not always count up the pros and cons of the change as carefully as you should and this impulsiveness may often lead you into difficulties. Still you have a courage, you are a born fighter and are endowed with plenty of enterprise. All of which will enable you to succeed in the end. It is unlikely that you will amass great wealth but money is only useful for the happiness it can bring and of happiness you will have your full share and more. There are many reasons for thinking that you will move from place to place a good deal and probably you will see much of the world. If a man, you are likely to take up posts in various parts of the country, and, if a woman, it would not be surprising if you called upon to travel because of the requirements of your partner's business or profession. We would suggest that you should endeavor to cultivate the quality of patience, and that you reason out the cost more thoroughly before embarking upon some fresh enterprise. There are little points but they help to mar your success. Moreover, avoid being a rolling stone (avoid changes) especially after the age of 35.

Happiness And Fulfillment

You have been endowed with the common sense and clarity to know what you really want. Lucid and practical, you seek happiness in the environment and are unafraid to expand your horizons, easily recognising fears and working them through. But be cautious. If you are always thinking of your own welfare and are inconsiderate of others, your chance of happiness are minimal.

Life Style

You are precisely the one, people are talking about when they say that behind every successful person there is a lover. Your marriage partner will motivate you to accomplish your objectives.

Career

You are authoritative and stubborn in your business life. You must be the leader than the follower. Try to look at problems objectively, and do not make decisions just because you are obstinate, as this could be your biggest bottleneck to achieving job happiness and success.

Occupation

Whatever you turn to, you will engage in with all your might - one at a time. Then, if monotony or routine plays a large part in the chosen occupation, you will become restless and look for a complete change. Accordingly, you must see to it that, at the outset, you choose a form of work possessing plenty of variety. You should think of nothing that keeps you seated in an office, since you need movement. There is much in a commercial traveller's work that will appeal to you. But, there are thousands of jobs, which will take you from place to place and where you will constantly see fresh faces, that will be suited to your requirements also. You have an excellent executive ability which fits you for ruling your own right after you reach the age of 35. Moreover, at about this time, you become unfitted for serving under others.

Health

While you are not actually robust, there are few reasons, however, why you should be concerned about your health. Your chief ailments will be more imaginary than real. Nevertheless, they will cause you a certain amount of unnecessary anxiety. You look into yourself too much and wonder why this or that has happened, when, in reality, it is nothing worth thinking twice about. You are apt to read medical books, and your imaginations manufacture the symptoms of dread diseases. You may suffer from throat troubles at some time or other. Avoid drugs, except those prescribed by a doctor. Lead a natural life, have plenty of sleep, take sufficient exercise and eat sensibly.

Hobbies

You will take up many hobbies. You will become very much wrapped-up in them. Then, suddenly you will lose patience and cast them aside. Another will be chosen and it will suffer the same fate in due course. You will proceed through life in this manner. On the whole, your hobbies will afford you considerable pleasure. You will learn much from them, seeing that you will sample so many.

Love Matters

You need love as much as food. You are capable of deep affection and make excellent partner. You must guard against marrying someone with a lower status than yours because you lack just the toleration required for making such a union success. You are a true charmer, have excellent taste and tend to seek contact with artistic people.

Finance

Financial conditions will be very contradictory for you. You will have runs of luck to be followed by equal periods of reverses when nothing will appear to go right. You should avoid speculation and gambles of all kinds and hold your inclination for extravagance well in check. You also come under peculiar and other uncertain conditions in the matter of finance. You may gain money in fits and starts, but you will not be likely to keep it. Your ideas are liable to be too advanced for the generation, you will live in. You will have a desire for indulging in speculation, but as a rule, you will be disposed to back the underdog. Your best chances in relation to the new ideas are, such as electric inventions, wireless, radio, T.V., cinemas and unusual building or construction work, also in literature or highly imaginable creations.

Your personality stands out in a crowd. You live a different life and when it comes to your education, you follow the same mantra. Your hasty nature of acquiring knowledge often lands in the midst of troubles. However, your writing skills can improve and you will find joy in this activity. You prefer to learn from your mistakes and invest all of your energy in completing a particular task. This virtue should be implemented in your educational life also. Sometimes, you may have to face the consequences of your mistakes which can also hamper your studies. You learn from your experiences which also helps you in acquiring knowledge through minor instances in your educational life. It is advised to perform a revision after learning a particular lesson as the knowledge will remain intact in your memory. In the academic sector, you earn success only after crossing several seas of thorns and challenges.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Sixth house from Lagna, while in the Moon chart Mangal is placed in Twelfth house.

Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also needs to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

Kalsarpa Dosh/Yog

As per the current definition, when all planets are situated in middle of Rahu and Ketu in birth-chart or horoscope, the astrologers call it Kalsarp Dosh. In present days, discussions about this dosh are vogue among Jyotishi or Hindu Astrologers of India. Many of troubles in one's life are mostly because of Kalsarp Dosh. Without analyzing other areas of astrology, most astrologers, in fact, accept kalsarp dosh is main root of problems. But the reality is this that if all planets are well posited in horoscope, kalsarp dosh will not be harmful, and can be supportive to beneficial results endowed by good positions of planets. Kalsarp dosh is inauspicious when positions of planets are unfavorable in one's horoscope. Therefore, it is not wise to fear hearing just about 'Kalsarp Dosh'. It is in fact always better to reach on remedies only after consulting jyotishi for deep analysis on negative influences of Kalsarp dosh. Interestingly, influence of kalsarp dosh is different in different people. Because influence of kalsarp dosh is based on points-which sign is posited in which house, and what other planets occupied that house, what are their influences and so on.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
